

## Unlocking the human potential within our organization.

### Goals:

- Have a basic understanding of what PI is and how it can be used at Beacon Mobility.
- Be able to see the potential of PI in improving team dynamics and task assignment.
- Understand the importance of leveraging individuals in task assignment.
- Feel motivated to explore more about PI and engage with the Talent Operations Team for further training and support.
- Be excited about the possibilities of how PI can transform the way we work and drive our company's success.
- Team Wheel Activities are provided upon request, with a member of the Talent Operations Team facilitating the activity.
